

RR ENTERPRISES

Maple Capital Advisors
Engaging to Create Value

Maple Capital Advisors advises on acquisition of assets and business of RR Enterprises by Kuehne + Nagel

Kuehne + Nagel, a Switzerland-based logistics major with significant operations in INDIA has acquired the business & assets of RR Enterprises a leading New Delhi based refer logistics business.

Maple Capital Advisors were the sole advisors for the deal.

RRE was in the business of transportation of goods by road in refrigerated trucks having 50 refrigerated trucks and 4 refer containers, top quality clients and pan India operations.

The acquisition of the assets of **RRE** is in line with **K+N's** inorganic growth strategy and will mark K+N's foray into the fast growing cold chain logistics industry in India.

About Kuehne + Nagel International AG:

K+N provides end-to-end supply chain management capabilities including sea freight, airfreight, rail, road, contract logistics and lead logistics. It also offers such solutions as emergency and relief logistics, fairs and exhibitions, as well as hotel logistics. Kuehne & Nagel International provides its services to the technology, retail, fast-moving consumer goods (FMCG), pharmaceutical, healthcare, chemical, aviation and automotive industries.
